## Curriculum Framework

## PSHE Curriculum Framework

---

### **Intent:**

The purpose of the Futura Learning Partnership PSHE intent is to provide a framework for high quality PSHE education across phases which is accessible to all and ensures that each of our pupils will develop the knowledge, skills and attributes they need to keep themselves healthy, safe and prepared for life and work. The aim is to ensure our pupils understand more about how to play a positive and successful role within our society, both as a child and as an adult within the future. It should have an impact on both academic and non-academic outcomes for pupils, particularly the most vulnerable and disadvantaged. The aim is for a holistic PSHE learning journey spanning the pupil's school career, with a progressive, spiral curriculum that addresses real needs in a rapidly-changing world.

**Inclusion:** Our curriculum is ambitious for all and strives to address inclusion and disadvantage in its intent and implementation

**Aims:** Underpinning the intent are 6 key **substantive knowledge concepts**:

Being me in my world	Includes understanding my place in the class, school and global community as well as devising Learning Charters.
Celebrating difference	Includes anti-bullying (cyber and homophobic bullying included) and diversity work.
Dreams and goals	Includes goal-setting, aspirations for yourself and the world and working together.
Healthy me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices.
Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills.
Changing me	This puzzle includes sex and relationships education in the context of coping positively with change. (includes age-appropriate sex education)

Each PSHE lesson is underpinned by the following 6 **disciplinary knowledge concepts**:

Connect us	Developing the ability to take enjoyment from their learning, to be inclusive learners and to build and maximise social skills. Children are encouraged to build positive relationships and take part in collaborative learning.
Calm me	Children gain awareness of the activity in their minds, relaxing them and quietening their thoughts and emotions to a place of optimum learning capacity.
Open my mind	Developing the ability to filter the many stimuli entering the child's mind at any given time. The aim here is to improve concentration and learning by filtering out activity around them.
Tell me or show me	Children are encouraged to introduce new information, concepts and skills, using a range of approaches and activities.

Let me learn	Developing children’s ability to manipulate, use and play with new information in order for it to make sense to them and for them to ‘accommodate’ it into their existing learning.
Help me reflect	Children are encouraged to reflect on their learning experiences and their progress. By reflecting, children can process and evaluate what they have learnt, which enables them to consolidate and apply their learning.

## PSHE, RSE, SMSC and British Values Statement

The curriculum comprises not just of PSHE (Personal, Social, Health Education) but also includes resilience, mental health, emotional literacy, social and employability skills, British values, and SMSC (spiritual, moral, social, cultural development), as well as an inclusive philosophy including Relationship and Sex Education.

- **RSE**- All aspects of RSE (Relationships and Sex Education) are covered within the PSHE curriculum. Term 5 and 6, Relationships and Changing Me cover the main aspects. See appendix 1 for further details
- **FBV**- All areas relating to Fundamental British Value are covered within the PSHE curriculum. See appendix 2 for details
- **SMSC**- All areas relating to Spiritual, Moral, Social, Cultural development are covered within the PSHE curriculum. See appendix 3 for further details.

## JIGSAW

This PSHE curriculum follows the JIGSAW scheme of work. If schools have access to this scheme, then they can see the lesson plans and use the online resources. If schools do not have access to the scheme, then they can follow the curriculum plan below.

## Termly Enrichment Activity

Each term, every school in the Futura Learning Partnership will take part in an enrichment activity or competition, based on the learning focus for PSHE. See below for details of each activity. We have also suggested wider community links which schools can get involved in charitable work if appropriate.

Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
<b>Being me in my world</b>	<b>Celebrating differences</b>	<b>Dreams and goals</b>	<b>Healthy me</b>	<b>Relationships</b>	<b>Changing me</b>
<p>Each school or class creates a display about what makes their school or class special.</p> <p>Suggested ideas:</p> <ul style="list-style-type: none"> <li>- Each child makes a puzzle piece that fits together with the rest of the pieces.</li> <li>- Include words and picture of parts of their school that are special.</li> </ul>	<p>Each school or class hosts a talent show where children perform their unique talents.</p>	<p>Each class creates a Dreams and Goals display. ## Early Years Foundation Stage substantive and disciplinary knowledge

In planning and guiding what children learn, practitioners must reflect on the different rates at which children are developing and adjust their practice appropriately. The three Characteristics of Effective Teaching and Learning are **playing and exploring** - children investigate and experience things, and 'have a go'; **active learning** - children concentrate and keep on trying if they encounter difficulties, and enjoy achievements; **creating and thinking critically** - children have and develop their own ideas, make links between ideas, and develop strategies for doing things. In addition, the prime areas of learning (**PSE, CL, PD**) underpin and are an integral part of children's learning in all areas.

**Statutory ELG: Managing Self:** Children at the expected level of development will: - Be confident to try new activities and show independence, resilience and perseverance in the face of challenge; Explain the reasons for rules, know right from wrong and try to behave accordingly; Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

**Statutory ELG: Building Relationships:** Children at the expected level of development will: - Work and play cooperatively and take turns with others; Form positive attachments to adults and friendships with peers; Show sensitivity to their own and to others' needs.

**Statutory ELG: Self-Regulation:** Children at the expected level of development will: - Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly; Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate; Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.

#### **First-hand experiences and pupil offer:**

PSED at Foundation Stage is introduced directly through carpet times based on the JIGSAW SOW. All weekly lessons are accompanied by weekly celebrations of children showing they have achieved the Learning Intention and activities that can be added to weekly provision to enhance children's understanding.

The first-hand experiences children should be offered are:

- Weekly carpet times to teach a specific area or skill.
- Opportunities to discuss the way they are feeling.
- Strategies for Self-Regulation.
- Books and stories within the classroom that cover a variety of PSED skills.
