

Dear Parents/Carers,

This week we have begun to learn the first of our Phonics sounds. The children will be learning a new sound each day until they have learnt the 25 single letter sounds (q is qu). At the end of each week, we will send home a list of words that the children can now learn to read having learnt the sounds within them – these are known as *Green Words*. This is the start of your child's reading journey. Please could you practise these words with your child at home, these lists are the pre-cursor to the children starting to bring home reading books. Below you will see a table showing the order of the sounds learnt each week and the first set of words for your child to start to read.

If you have any questions, do not hesitate to come and speak to a member of the Reception team.

Thank you for your support,

Mrs Claire Gurnsey **EYFS Phase Lead**
